

## 2025-2026 SEWASP REGISTRATION PROCESS AND POLICIES

### REGISTRATION AND DEADLINES:

- Requests for lessons can be submitted to [sewaspemail2@gmail.com](mailto:sewaspemail2@gmail.com) beginning Monday, **November 10, 2025**. Please select 2 preferred dates and 2 alternate dates from the posted schedule found on page 2. Include in the email the athlete's name, age, and disability.
- Lesson requests are assigned based on the availability of appropriate trained volunteers and equipment. An email will be sent to athletes by Friday, **December 5, 2025**, confirming the date(s) SEWASP was able to schedule your lesson(s). This email will include further details to secure your lesson dates and necessary paperwork to complete. If you do not receive an email by Friday, **December 12, 2025**, please contact SEWASP by email at [sewaspemail2@gmail.com](mailto:sewaspemail2@gmail.com).
- Completed registration **forms and payment are due (received by SEWASP) via USPS Friday, December 19, 2025**. We DO NOT accept scanned and emailed registrations as our email address is not secure! Lesson fee is \$20.00/lesson. All payments (check or money order) must be made payable to "SEWASP". The confirmation email will provide details of where to send completed paperwork and payment.
- Lesson fees must be **pre-paid and are non-refundable**. For lessons that are cancelled by SEWASP and are **not rescheduled** by SEWASP, a letter acknowledging a tax-deductible donation will be issued (upon request) at the end of our season.
- SEWASP \$20.00 lesson fee includes instruction from trained program volunteers, a lift ticket for the athlete with the disability scheduled for the adaptive lesson, and appropriate adaptive equipment (stand-up/rental, snowboard rental, or sit-ski).
- Athlete's weight must be under 200 pounds for sit-ski (bi-ski or mono-ski) lessons. It is the judgment of our instructors at the program site to determine if athlete's weight is accurately reported on the registration form. Inaccurate reporting may result in a cancelled lesson, including at the program site.
- Lessons that are scheduled any time other than SEWASP's normal schedule must be scheduled with the SEWASP Program Coordinator and conducted by SEWASP approved volunteers. All SEWASP lesson fees and policies apply.
- Athletes are expected to come to lessons prepared with appropriate winter attire for skiing/snowboarding.
